#### STUDENT LIFE

Student Life is just what this section is about, and the students here at Roosevelt are some of the most exciting students ever assembled. Most of them attended at least one of the several activities covered in the Student Life section.

In the pictures, contained in this section, you will see the type and styles of dress that were here during 80-81. You will re live the fun times, see the Jeans: Jordache, Sasoon, the shoes: Nikes, Vans. You will get reacquainted with the sounds of Risque, De la France and much much more

# DO IT THE WESTERN WAY

The third annual Homecoming Day was the highlight of the festivities that climaxed on Nov 15 at the East L A classic! The Roosevelt alumni, students and various clubs joined together from 12 00 to 3 00pm, and sold candy tacos, french fries and teddy bears. A pie eating contest was held in the quad. If it wasn't for the thick crust and those mouth watering apples, Carole Mildon ado and Damien Calderon would have never won. The climax of this day was the announcement of the new 1980-81 Homecoming Court. They were Lori Libertine, Queen, Mario Guerra, King, Luisa Loera, 11th grade Princess, Steve Golstein, Prince, Karen Carrillo 10th grade Princess, Tommy Jaramillo, Prince, Lilia Davila. E.S.L. Princess, Elio Castro, Prince.

The Homecoming Day Testivities ended in Hollywood at the Roosevelt Hotel, 420 R H S students and friends danced to the vibrant sounds of Risque

Nov 18 was designated western dress up day. This day was set aside from all of the activities so that students would dress up to a western theme. "Give it all you got the western way." Those students who participated were eligible to win two tickets to the East L.A. classic

November 19 was beat the building fair, where again clubs sold various foods, cendies, and teddy bears. On November 20, the R.H.S. marching band, drill temper squad and cheerleaders performed for our annual spirit rally. November 21 was the culmination of the homecoming week festivities at the East Los Angeles where Garfield shut out the varsity, 14-0, and arrange (drum major) startled the crowd with his baton performance. While the marching band and pep units were performing, the winners of the spirit half competition were approunced and as in recent years the semior class won.

#### SNOWBALL FANTASY

The girls gym was transformed into a dance hall on December 19, 1980. The crowd rocked to the many sounds of "Utopia" at the annual Christmas Dance which was sponsored by the Boys and Girls League, Themed "Snowball Fantasy"

Everyone enjoyed the six hours of dancing and romancing, there was soft drinks available for those who needed a little refreshing. Pictures were also taken for those who attended and wanted to remember the fabulous evening, and the person they went with

Conjointly everyone enjoyed the elegant evening of this traditional affair

# YULETIDE SPIRIT

The Christmas Nativity was spirited her on our Roosevelt campus on December 18, 1980 with an Annual Christmas Program which featured our new addition Mrs. Ritzfield and the Choir, who sang a few christmas carols to lighten up our christmas spirit Mr. Soto and our stage band played two lovely christmas songs that everyone enjoyed Mrs. Sandoval and our outstanding Folklorico and Estudiantina did two region's and song's of our neighboring Mexico which every one all in all loved and left the auditorium feeling very christmassy

#### ALMOST ANYTHING GOES

"THE PRIZE IS LAUGHTER
"CLOSE YOUR LEGS! ROLL OVER!
Come on Terry, move

OVER

These were the cheers you could have heard at Roos ...... . thru 31st Friends and fans alike cheered and laughter as contestants ran (wheel barrel style) armed with marshmalows at rolled in mild until the halloons field to their bodies. popped Of course they had the traditional "pie in the face" events. What's the reason for all this madness you. ? This was to see which team would receive the till e of A most Anything Goes champions which this year was won by the group colled the Unknowns. But then the final elimination, to see which ten individuals would represent Roose A A + School. So at lunch time on the field, the boys competed among themselves and so did the galls. The result being Roosevelt's alt star team," who showed true Refer pride at Lincoln, and won the A.A.G. competition, robbing Garfield of their two year title as A.A.G. champions. They brought home the Almost Anything Goes trophy for the first time. Thanks to Ms. Lee, and all the people in student. council, who were the "force" (organizers) behind the

# TALENT BLAST!

The second annual Talent Show proved to be more dynamic, powerful and spectacular than the previous one

It consisted of seven powerful and talented acts each presenting their own distinctive and unique talent. Through the presentation a variety of talent was displayed. This consisted of two prominent local bands Cisco & the Electric Sockets and The Sinners which revealed their own creative styles as artistic performers, which included a few soloist, Keith Dorris and Art Salas. An exclusive dancing act called Chocolate Pudding and Pot Luck and a Poem recited by teacher Ms. Navarez

Overall the competition was tough but as in all contests there is only one first prize winner, and runner up First Prize which was \$100,00 went to Cisco and Juan who sang a couple of love ballads by the legendary Beatles. Second Prize went to Cisco and the Electric Sockets who rocked out the crowd with some hot rock n' roll Third Prize was awarded to Bad Habit who mellowed out the crowd with a couple of jazzy tunes by Crack Mangione and Herb Albert. Last but not least Fourth Prize went to The Sinners another rock n roll band who proved that they can hang in there with all the rest

This yearly show proves to be rewarding in that it showcases our talent

# CONCERT

Tierra live on stage at the Roosevelt High School's Auditorium. Yes, you read it right, the dynamic group displayed their fantastic sound of latin salsa and the crowd went wild' People from all over the district awaited the special day of December 4 1980 to watch one of the hotest groups of the 80's. The group has been together since 1972 has recently hit the top ten with their hit single "TOGFTHER", which so far has sold over 300,000 copies. The name of their newest album is "CITY LIGHTS". As the concert began the crowd wailed with excitement.

First listening to the "UNKNOWS" who performed a variety of BEATLES songs. Shortly after TIERRA came on stage, channel 7 news arrived and was taping some of the action. The \$3 a ticket yielded a \$2,500 profit for the Gymnastics Club and program.

#### AFTER SCHOOL DANCE

On Friday nights, "Roosevelt is where it's at" Held over for the third straight year by popular demand, the Student Body presents Sports Night (held every other week in the girl's and boy's gym). Unforgetable moments with sweethearts and good friends are taking place in the girl's gym, with slow dances to mellow your mood, and a lot of sizzling, movingroovin' hits to go CRAZY to But if you felt ..ke a change of pace, move on over to the boy's gym. Talk about action! In this area, a variety of games are being offered, such 🕟 ping-pong, pool, basketball, and for the mor subtle person, a game of chess or checkers. An estimated amount of seven hundred people attend each and every Sports Night Cost of this fun filled evening is one dollar

The profits from this school festivity were used to benefit all areas of the school

#### SWEETHEARTS BALL

They say Friday the 13th is bad luck, but believe it or not everyone that night at the Ambassador Hotel en loyed the evening and didn't pay attention to the myth

The 1981 Sweetheart's ball, sponsored by the senior class, was held in the Embassy Room, which was as elegant salon for this event. Dinner was served at 8.00 p.m. and at the same time mellow music was provided by De to France a D.J. while everyone ate. Every table had its own waster to be served upon, the dinner consist ed of swiss steak marinated in wine, green beans mashed potators, and chocolate sundae for dessert.

When dinner was over memorable pictures were taken for those sweethearts and ones to be. As the evening proceeded ballots were handed out for the choosing of the King and Queen. Thirteen girls running for Queen and thirteen boys running for King were presented, but as avveryone knows there is only one couple who wins. The King and Queen of the ball as expressed by Ron Kendricks "a young man with 13 letters in his name. Ruben Martinez and a nice young lady by the name of Rostrice de la Rosa were chosen. They danced to the tarnous song as sung by Tierra. "Together everyone joined in and moved to the sounds of Risque a D J.

The night came to an end at one thirty a mill after every one had enjoyed and evening of dancing and romancing on this night of superstition everyone really looked forward to the coming of the next one

#### UNDERCLASSMEN ON TOP

versing each other, standard s

February 27 at 7:00 pm, was the date and time soft the Powder Putt Game. The day started off with a paneld during lunch in the good area. There, the learns were

presentation of the male cheerleaders. Once demonstrating their hymorous and unique HELLO cheers, they just seemed to get many lans well prepared and freedup for the game.

Though many people took this match as a fun and game situation (which at some points it was), a lot of us didn't real-how important it meant to each individual player. They players) were the only ones hrave enough to participate in the contest. They spent much time of preparation and dedication to this event, and yet knew they had to face either the glory of the triumph or the agony of deleat.

The action took place on our home livid. Early in the first quarter the Juniors gained a 6-0 lead. The Seniors determined to come back, tied it at 6 all by halftime. During the second half, the Seniors had the ball deep in Junior territory. Scored four touchdowns, but unfortunately had them called back for penalties. On the other hand, the Juniors were successful in completing their plays and obtained an upsetting 18.6 victory.

#### "SKANCES"

Roller Skating has become a big fad in this part of the country Everywhere you go people are on skates. Just like jugging and dancing, skating has become a recreational activity that a lot of people enjoy. A skance is where people go skating and dancing and have asot of fun.

Roosevelt has sponsored live skances this last year. The Juniors class promoted two at the beginning of the school year, and the ternathing three skances were organized by the gymnastics club Most of the skances were at the Roder Dome for the fact that the Great Skate did not permit the use of any D J is that were not contracted by them

A great number of members from our student-body enjoyed sketting and dancing to the sounds of the groups of our times. By popular demand, the following were highly requested the Go Go's with their single hit, "We Got the Seat", the B-52's with Party Gone out of Bound", Devo and their electrolying "Whip t" Biondie with "Rapture" and "The Tide is High", Kool and the Gang with "Celebration"

Though many people enjoyed dancing at tree-style pace, they also enjoyed slow-dancing. One of their favorite hit singles was Tierra's "Together", and John Lennon "Starting Over" and "Woman

At the skances almost everyone enjoyed the Roller skating, then when the roller skates were put away the dencing would commence. People had an opportunity to meet some new and old friends in a social event that made the school year a little bit lighter. Also, many other people from different schools attended and had a great time. Skances are on the virtue of being discontinued because the organizations that are patronning this type of event are losing money.

### SPRING CARNIVAL

The baseball field was lit with lights and exitement. It was Roosevelt's 1981 Spring carmival which took place on March 20 through the 22nd There were such games as the shuffle board and dime pitch where people spent their money to win a stuffed animal. There was exitement for everyone if not on the hammer then it was on the merry-go-round. There were booths where delicious food was sold. There was our usual successful dances featuring "Risque," on Friday nite and "Destiny" on Saturday nite. An added attraction this year was a rock concert on Sunday afternoon for only 50 cents featuring "Black Diamond " There was music throughout the three days and two nites with our very own di system KRHS which dedicated songs to the people. Once again our carnival was a success

#### ROOSEVELT'S MELTING POT

Dear Reader: If you're wondering what a melting pot is, it's a numerous number of ingredients combined in one pot. Roosevelt's campus is a prime example with its many fashions, fads, and people Each person with their own group gives a unique flavoring and spice to our school environment. As you can see, there's not one, but a multitude of dominating crowds. They respectively pertain to their own region and give a colorful and welcoming sensation.

We have the Rockers who wear their favorite rock group T-shirt with pride. Then there's the Discos who have a saying - "dress to impress." Oh! and of course, let us not forget the hard-core Punkers, they dress in defiance of the political system. And there are those who hold no label, they feel no need of a brand

Nevertheless, we make up quite an original atmosphere that lives in friendship and unity. Remember - we are all one and nobody is better than the other!

# EVENTS OF 1980 - 1981

The events of this past school year are unique, and that is why these two pages are dedicated to them Some of the events mentioned will be a summary of our 1980-1981 school year

The most important event in the U.S. besides the hostage crisis was the presidential campaign which had President Carter running against ex-governor of California Ronald Reagan. After months of primaries and idle accusations Reagan became our 40th president by a land-slide

After over a year of captivity the American hos tages were finally released by the Iranian government. This was done after the U.S. agreed to release Iranian assets frozen in the U.S. after The Shah of Iran died

In the World of theatre "Ordinary People" won the Oscar for best picture. Television audiences were forced to watch re-runs while actors went on a four month strike

Another TV happening was the shooting of JR. The whole television audien of Dallas had waited until NOvember 21, 1980 to find out who in fact shot JR. On that momentous day they found out that Christon had shot him.

In the World of Sports the New York Cosmos won the '80 Soccer Bowl. The Phillies won the World Series. Georgia was the number one ranked college football team in the nation. The Oakland Raiders won the Super Bowl. In boxing Holmes defeated Mohammed Ali, in Ali's quest for his fourth try to regain the Heavy-Weight title. Then Sugar Ray Leonard regained his WelterWeight title from Roberto Duran, Indiana won the NCAA basketball championship.

In some international news Polish workers have demanded unions to represent them and also have demanded a five day work week. The uprising in El Salvador has brought U.S. interests into it as well as Soviet reaction. What people are worried about is that might turn into another Vietnam

In the national scene we have seen the crime rate rise 13%. Some of the significant crimes that have happened is the yet unsolved murders of the twenty black children found slain in Atlanta, Georgia. The slaying of ex-Beatle John Lennon The attempted assasination of President Reagan

These are news items I hope help you remember what happened this past school year. The good especially, and the bad unfortunatly

## LEADERSHIP

In this section you will find the many home room presidents who make up the house of reps, the club presidents who are the round table, the different class officers who include the Juniors, Sophmores and ESL classes Another group of individuals you will find in this section is the Leadership class itself

These groups of unique individuals represent their different organizations and classes. They thought of and came-through with most of the activities held here at Roosevelt or sponsored by Roosevelt off-campus

HOUSE OF REPRESENTATIVES

The academic section is the smallest division of the yearbook. Yet, it is one of the most essential. Why? Because it includes important information on the educational programs offered here at Roosevelt High School. Every student at this school is supinterest, which will prepare them for some their tasks reconstruction of the history of type of occupation after graduating from our community high school

Throughout this section you will discover students involved in academic programs which are offering them outstanding training in such fields as; the advanced placement classes (A P) for college preparatory students, the business education courses, the pose to be involved in an area of training industrial arts program, or the unique lecthat involves him/her in a specific field of ture series that has undertaken as one of

# A.P. FREEBIES

No one is losting in contant parary comp.

In 1955, the College Entrance Examination Board first sponsored the Advanced Placement program, and in 1975, Roosevelt began offering Advanced Placement (AP) courses But just what is AP?

The Advanced Placement program offers both 12th and 11th grade students an opportunity to study one or more college-level courses and then, depending on how a student scores on later tests, he or she can receive advanced placement in a college course, credit, or both. For example, if you score high enough on an AP test, you can earn ten units on that subject in certain colleges (which means you may skip it altogether). And if you pass enough tests, you can earn as many as 30.40 units, that's a savings of 10.15 thousand dollars in books, tuitions, and loans at some colleges!

The AP classes now being offered at Roosevelt are French (Mr. Elbaz-Deckel), Spanish, Spanish Language and literature (Mrs. Mas), English (Mr. Happekotte), U.S. History (Mrs. Anderson), and Math (Mr. Landa). Depending on the subject fields, students have to meet certain previous requirements, they must be high achievers (but not necessarily gifted), and they must be recommended for an AP class by their teacher, counsel or, or both However, these are year long classes, with the first semester acting as introductory to get your bearings", and the second semester geared toward preparation for the test

But there is a catch. AP classes are at college or university level, with a lot of emphasis on lecturing Students should be proposed to take notes and research specific topics, among a few things '(But) Students should not be afraid to take the tests, or at least the class," says Mr. Fibar Deckel, coordinator of the AP program at Roose ve t

It is my feeling that students should be told about the AP program in the 10th grade orientation meeting, and those who show an interest should be enrolled in the prerequisite (necessary) classes.

Of course it's hard work. But if students start early in their high school career, they can go to college as a sophomore, and skip their entire freshman year!

# INDUSTRIAL ARTS

The industrial arts program has been at Roo sevelt High School since the early 20's, when the doors to RHS were first opened

The classes available have grown through the years, but the same basic one's still remain as they were in the roaring 20's. They are auto shop, ceramics, drafting, electronics, graphic arts, metal shop, and wood shop. There are approximately 800 students enrolled in the industrial arts program

Shop classes provide services for teachers and the school One of them is the auto shop, which repairs the cars of both teachers and first year auto shop students. The goal of the industrial arts teacher is to teach each of his students a trade which will help him or her after they leave high school. A number of students have gotten jobs in their subject field of learning right after leaving high school

Mr Perez who teaches graphic arts printing, tries to encourage his students and other industrial arts students to continue their training at a trade school or as an apprentice Mr Aipert, the department chairman, said that the industrial arts program this year has been the best one in the last few years, and he has been here for seventeen years

## BUSINESS EDUCATION

Business Education comprises one of the major fields of interest for our students. This vastly expanding program involves over five hundred students and eight teachers. If you're majoring in business, you'd be able to select from quite a few areas Accounting, Banking, Bilingual-Typing, Business English and Communications, Business Organization and Finance a Clerical Program. Notehand Office Service, and Shorthand. These classes are taught by highly qualified instructors who train and prepare their students for a future in the field of business.

One of the major projects in progress is the Banking class. The class is instructed by Ms. Carmen Dominguer as under the R.O.P. program. Both Roosevell and of A. I students receive outstanding training in a specific spe

The Security Per Fig. 1 of Downtown L.A.) is the subserved of the Security for two notes. They who work is the bank. Once the students have obtained the training the most excent of a digitie for the F.B.L.A. (Future 15).

Under contemporary history, one of the most reknown speak ers was Mr. Pat Lucy, running mate of Mr. John Anderson Independent Party candidate for the United States presidency. This visitor got Roosevelt High School on the ABC and NBC naws. Later came a speaker that rouched the heart of all who heard her. Rene Firestone of the Simon Wisenthal Center for the Holocaust victims was interned in a concentration camp in Nati Cermany when she was fourteen years of age. Her story brought tents to everyone's eyes, and after her talk she was greeted by warm and loving hugs from our students.

As the time machine moved, students were treated to unique presentations on the history of Boyle Heights through a Mexi can American (Chicano) perspective Professor Armando Mirales, author of numerous books and articles, most famous of which is his classic Ando Sangrando, spoke on the origins of gangs Professor Morales is a graduate of Roosovell High School and professor at UCLA. He presented our library with two books, his own and Expedition Through Aztlan, authored by another Roosevelt grad David Sanchez. These speak ers are pled to clear up some of the old storolypes. The lywood's Tyron Power Zorro to depict what Californie was like!" Dr. Rudy Acuna, author of Occupted America, and lysed history from an economic perspective Reknown histori an Bill Mason informed us on the early history of Boule Heights. To culminate the lecture series, Student Council invit ed Mayor Tom Bradly to speak in our auditorium and answer questions from our students. This superience has proven very successful, and as many speakers said, "your students really surprised me their questions were the tastic

## PEOPLE

A yearbook is made up of many sections, and the most important is probably the people section. This is where almost everybody who attends or works here appears Most of the afore mentioned are in this section including the 175 teachers, 678

Seniors, 1211 Juniors and the 1593 Soph omores. And just like in any other community everyone is different and comes in different shapes and sizes. I hope that these pages will bring back many fond memories as you find the people you knew and remember

## **CLASS OF 1981**

CLASS NAME: Premeibanus (Createry) CLASS COLORS: Acus Marine and White CLASS SONG It's my turn thy Dione Rese

With the leadership of our prooldent Mario Guerra, the rest of the officers sponeous and advisor, the slass of 1981 has become one of the very best graduat ing classes Roosevelt has ever had. The Prometheans were the very first to se class jackets and in receive constitutionis blessings before graduation

May 16, 1981 wee a night to cherist orever. The graduating class held in riot. Starting-off with an unrivaled dinner and featuring the sounds of a great D. everyone had a fastive and mostaick Vermie,

June 18, 1961, the most emotional and peared on the stage of the Shrine Audito rium: we went back and remembered those three wonderful years we spent at Roosevelt High School

June 19, 1981, the day after everyone received their diplome that trocked ac hard for, the class spend and unforgette ble night at Dieneyland where we wished each other the very best, and promised each other to keep in touch

Three exciting years of high school have one by and now the class of 1951 h ready to enter enother world on their own. Many will learn a trade and go to

but we all know we will meet once again

SOPHOMORES 1983

# SPORTS

At the start of the 1981 school year there was only four "major sports" that were going to be held at Roosevelt, as well as through out the city. The sports were going to be boys' football baseball, basketball, and track, for the girls voleyball, basketball, softball, and track. But the school board finally got on track and with a little help of a telethon all the other "minor sports" were reinstated.

Our million dollar swimming pool never got

dares estimate when it will finally be in working condition. A warning vote to spring sports fans the complete stories on teams such as the base ball, track, boy's swimming, volleyball, and tennis will not be complete because by our deadline these sports were bearly getting started.

When you look through and find your favorite sport and persons you might also look in the background and find yourself, because without you, the fan, the sports' program wouldn't have

Rough Riders were expected to maintain a high standing in their 2A league. The coaches were rather shocked and found the outcome quite upsetting since it certainly was not to our advantage. Too many penalties and very aggressive opposing teams caused our 1-6-1 over-all record. Although many players such as Darren Butler, Derek Han, and others not mentioned will be graduating, other experienced athletes, such as our three year starting quarterback. George Peña, will be returning

In our two pre-league games we faced two powerhouse 4A teams, the Cleveland Cavaliers and the Wilson Mules Unfortunately, Roosevelt came up scoreless. October tenth, 1980 was Ted's first league and home game opener against the Huntington Park Spartans. Both teams entered with a winless record, and the Riders were out to prove that they were rough! In the second quarter, Carlos Mejia kicked a field goal leaving the half-time score at

## The Red Machine On The Move

3-0 It wasn't until the fourth quarter that the Spartans allowed the Riderbabes the only touchdown of the game. George Valenzuela gave an outstanding performance. This win opened hopes for a possible play-off berth

On Halloween right, Roosevelt faced the Lincoln Tigers. The first half of the game was dominated by the Tigers who kicked two field goals, leaving the score 6-0. During the third quarter The Red Machine was on the movel it scored on a touchdown pass, yet came up short on the extra-point attempt. There is a great deal of pressure in attempting a field goal with twenty seconds remaining in the game. This was one position the Red Machine faced, however, the kick was off and the game ended in a fie. The following contest with the Marshall Barristers was an upset for Teddy because his Riders failed to score on a number of good opportunities.

The encounter against the 2A 1981 city champions, the Jordan Bulldogs, was very exciting, since the Rough Riders were leading at half-time 15-14. Though the game finalized with Jordan on top, RHS was the first and only school to score that many points on the buildogs within the past three seasons

The E.L.A. Classic was the game a lot of people in L.A. were awaiting. This was a must win situation for the Riders since there was two items at stake; one was the hopes of a play-off berth, and two, the Roosevelt pride which had accumilated a 27-11-6 record over the years, in the oldest rivalry of the city. But as the newspapers described it, "It was the Year of the Bulldog."

Completing a 6-2-0 over-all record, our Bee's were able to obtain a co-championship in the Northeastern League. One of the outstanding players of the Northeastern League this past season was Servando Sencion. He was nominated as the "Most Valuable Offensive Player" of the year in our league. Astonishing enough, he gained over 600 yards this season and averaged 6 yards per carry.

Other members of our Bee team who were selected by the league coaches for the offensive A.I. League Team were Ronnie Maestas at quarterback, Carlos Licea at guard, Ernesto Nolasco at tackle, and Manuel Landazuri at end Selected as Honorable Mention by the league were Tommy Martinez at runningback and Ceaser Lopez at center

## The Bee's Sting The League

"My first impressions were that we had a lot of work to do, but everyone seemed eager to learn", said coach Drake. Although many long. hours of preparation, during and after school, were very hard and seemed endless, it all helped to put together a five game winning streak The Riders started their season with a big upset over a 4A division team, the Ceveland Cavaliers. In the league match-ups, the Rough Riders were able to leave four of the six teams scoreless. They were able to display their winning talents in the victory at the 1980. 'East Los Angeles Classic'', Roosevelt was definitely able to roughly ride over the helpless Bulldogs and made the retreat all the way home with an upsetting shut out!

This season's varsity team was the best ever, said Coach David Perea. The team's five win five loss record was accomplished with team work and carefully selected plays that got them to the playoffs

The varsity team beat Garfield and Huntington Park twice, the other win was against Bell. The team was made up mainly of seniors: Art Cuevas, Ruben Martinez, Ronnie Molano, Derek Han, David Winzer, Abe Pina, Juan Quinones, and Vince Gonzales. Derek Han was an important part of the team because he gave the team inspiration, hope and kept the team striving for the top

#### "Varsity Team Was The Best Ever"

The play-off game against Marshall was a very close game. The varsity team played excellently and showed everyone exactly how good they play the game. During the whole game neither team was ever winning by more than two baskets for very long. At the end of the game the team lost by only two baskets.

Next season's team will be built around the returning players. Marvin Stephens, Alex Martinez, and Jesus Souza, they are all eleventh graders. The rest of the team will consist of JV's and possibly new up coming players. Congratulations to the coaching staff and team for a job well done. Go get'em in '82'

BOY'S VARSITY BASKETBALL: Asst Coach David Simpson, Art Cuevas, Ruben Martinez, Ronnie Molano, David Winzer, Abe Pina, Marvin Stephans, Juan Quiones, Alex Martinez, Derek Han, Coach David Perea. Missing: Vince Gonzales, Jesus Souza

Ruben Martines and David Winzer on defense

Caroline Maruya of the girl's varsity team made this year's all city basketball team Caroline has played basketball for Roosevelt the last two years. She was top scorer on the team averaging tifteen points per game. The team's second top scorer was Sophia Rodriquez, scoring 98 points in the season

The teams two leading rebounders were Margaret Perez, a senior who has played two season's on the basketball team, and Liz Guaderrama, the only sophomore on the team Valerie Ybarra and Laura Williams were the two most improved players on the team

#### Caroline Maruya Makes All-City

The Varsity team worked hard in practice to accomplish the defeat of one of their toughest competitors Wilson H S. This was one of their outstanding victories which showed their outstanding offense and the defensive skills of Margaret Perez, Sophia Rodriguez, Anna Barillas, Liz Guaderrama, and Caroline Maruya Ali the players performed very well with the assistance of their new coach, Mrs. Williams

Coach Williams anticipated a very strong team for the following year, since she has several eleventh and tenth graders with the desire and ability to play basketball

The JV basketball team was eager to win but inexperienced. The team has only five seniors: Manuel Diaz, M.ke Rubio, Manny Calderon, Miguel Ruelas, and Louie Garcia Their record was two wins and eight losses. The team had a tough season mainly because of the tough competition of the Eastern League.

The first round of the season proved to be very close, and the team showed its eagerness and determination to succeed But losing some very close games by one or two points seemed to

#### Team Eager To Win But Inexperienced

take the life out of the team, and the second round proved disasterous

The standouts of this seasons team was. Sener Ortiz a tenth grader, Ernie Aguilar an eleventh grader, Manny Calderon, and Louie Garcia who are twelfth graders. Senen Ortiz and Ernie Aguilar will both return next year to enhance the basketball program at Roosevelt. As a matter of fact there will be a number of returners. These players will undoubtedly improve and so will our record.

Boys J V Basketball: Asst. Coach David Simpson, Manuel Diaz, Jose Marias, Senen Ortiz, Keith Dir s. Barrett Rodr., a.z. S. 115 Tay or Co. 1. 100 decrea. Kneeling. Miss Rabio. Miss for a Maury Richardson, Manny Calderon, Louis Salazar, Erris Audiciar. Missing. 1016. Clark a Audicia. Dir. 10. Towns.

Girls J.V. Basketball. Luz Maria Salazar, Dorayne Salas, Patricia Moldonado, Cristin Arra ga Standing: Dee Dee Torres, Terry Garcia. Rhanda Maldonado, Coach Ms. Williams. Missing, Salay Milliams. List Scripped.

The girls Junior Varsity Basketball team was young and strong. It was composed mainly of juniors and sophomores, and they played respectable ball for their alma mater. With a powerful offense and a stubborn defense, the girls ended their season taking second place in Eastern League.

# Ladies Vigorous And Aggressive

The team was vigorous, and developed into an aggressive team. Rhonda Maldonado ended the season as the highest point scorer on the team, and was the third leading scorer in the very tough Eastern League. Jenny Garcia and Dee Dee Tomes contributed with enthusiastic spirit and team work.

his is the first year that Roosevelt's Bees have been in a Christmas tournament, which was sponsored by Franklyn High School The Bees reached the finals. Two points kept them from winning the tournament championship They played Palisades for the tournament championship, a team that always has a remarkable record. The game went to the linar seconds, but Palisades managed to hang on to their one point lead. The Bees overall record was 7.3, as they took third in the Eastern League behind Jordan and Bell

# Season Untypical Of The Hard Work

The most exciting game of the season was against Bell during the first round. The game was very close and exciting and had to go into overtime. The outcome of the game was not representative of how hard the team played. At the beginning of the season coach Burton Ipp named three players who he believed would lead the team Those three players indeed came through Two were named the Most Valuable Players of the team They were Ralph Navar and Mando Padilla. The third player was also selected to the All Eastern League team Ralph Navar was in the first All Eastern League team, Mando Padilla to the second team, and Julio Niebla to the third team. Coach Burton lpp believes that Ralph Navar and Mando Padilla have the potential to make the varsity team next year. This is the best season that the Bees have had, and coach Ipp hopes to have the same or better season next year.

Boy's Bee Basketball: Jose Sahagun, Carlos Flores, Julio Niebla Standing: Victor Garcia, Te CONTRACTOR OF CONTRACTOR OF THE CONTRACTOR ager) Missing: Mando Padilla Ralph Navar, Roy Carroll (asst coach)

Boy's Coe Basketball: Robert Garcia, Angelos Thibbdaux, Paul Garcia Standing: Victor Quinones Adrain Parga, Albert Palos, Coach Burton Ipp, Alex Najara, Gabriel Montes, Norma Calvillo (manager)
Missing: Earsey Greenwood, Randy Martines, Tony Morales, Roy Carroli (asst. coach)

The Cees basketball team came in second place in the Eastern League behind South Gate. Their record was 7.3 Victor Quinones was named by the coaches to the first All Eastern League team, Robert Garcia was named to the second all League team, and Albert Palos was named to the third Leagur team. Victor Quinones and Robert Garcia were most valuable players of the Cees team.

The big game was against South Gate, they had to win the last game of the season to begome Eastern League champs, so did South Gate. The Rams took the lead in the first quarter and

# "Young Players Under Pressure"

when we played Jordan, we won both games because they had a player with Bee exponents, so they had to forfeit the games and the rest of the games in the Eastern League

Coach Burton Ipp and his assistant, Roy Carroll, worked very hard to mold the Cee team into a close unit. Even though most of the team consisted of young players, they performed admirably under pressure. Coach Ipp is very proud of the Cees for performing well this year, and hopes to have even a better season next year.

Our soccer team posted a five win and three loss record this season, which did not qualify them for the post season play-offs. The team provided us with some exciting and thrilling moments. The team's best game was against arch-rival and this year's city champion Garfield, even though the team lost a heart breaker in the closing moments of the soccer classic, our team actually dominated most of the game "Garfield has always been our toughest opponent," said Coach Jose Lopez. The team played outstanding ball against Manual Arts both times, and totally dominated Palisades here on our own field

# The Team Gave Us Thrilling Moments

Our team had to start their season late due to uncertainties in the School District's Interscholastic Sports Program, and also had to meet after school without a regular practice field and without any equipment

The leading scorer on the team was Ruben Perez with a season high of 12 goals. Also playing outstanding were forwards William Henriquez and Javier Berjan, even though the defense broke-down in crutial situations it was held tight by fullbacks Fernando Lopez, the outstanding defenseman on the team, and also Manuel Vasquez

It was fun but it was alot of hard work; was what some of the team members had to say about this year's season. The girls ended their season in 4th place in the Eastern League. Two of the tough teams the riderettes faced were Eagle Rock and Franklin. But as luck would have it the Eagle Rock once again succeeded in beating the Riders.

The team had many strong members and was composed of many seniors. The returning players were Sylvia Rodriguez, Alicia Rodarte, and Debbie Nunez. All have played at least two years.

# It Was Fun But Hard Work

The strongest member was Carmen Barajas the top singles player. The outstanding doubles team was composed of Margaret Kochi, and Cris Romero. Three trophies were handed out as voted by all the team members. Cris Romero received the most valuable trophy; Esther Lopez received the most improved player; and Diana Estrada most spirited.

The year to come looks very bright for the girls with a chance of winning the Eastern League with the help of returning players like Emma Borrego and Diane Estrada, all in all the girls enjoyed playing and enjoyed the competition

east year, the Boys' Varsity Tennis team went undefeated for the first time in recent Roosevelt history. The team ended up winning the Eastern league championship. Raul Mejia, who is a returner on this year's team, was the number one singles player in the league, winning ten straight league matches. Joel Cabrera and Mark Yamamoto, also went undefeated in league play. Their only deleat of the season came in the play-off's where they all lost to North Hollywood High School. Their toughest competition of the league was South Gate. Roosevelt's doubles team lost twice against the Rams; although, all the singles players won. In that match Joel Cabrera won the crutial and dividing set

# Raul Mejia Undefeated

This year's team returns all but three palyers from last year's championship team. This year the team is lead by the first female coach to manage a male sport's team. Coach Teresa Ferrada is hopeful of the same type of successful season as last year's. If the first practice match is any indication of the potential of the team we should be the favorites to repeat as league champions. Roosevelt soundly shut-out Belmont 9-0. The team posesses all the winning qualities: experience, ability, and enthusiasm. The team will undoubtedly represent us admirably

BOY'S VARSITY TENNIS: Anastacio Yreta, Johnny Wong, Joel Cabrera, Mark Yamamoto STANDING: Patrick Hernandez, Raul Escobedo, Raul Mejia, Dae Ung Min, Juan Carlos Archila. Coach Theresa Fertada

east year, the Junior Varsity tennis team ended the season with a 5.23 record. The team's two loses were to Bell and South Gate The team was lead by Dae Ung Min But that was last year. This year Min is with the Varsity and now the JV's number one singles player is sophomore Miguel Echavarri

He picked the game up on his own, and has been playing for two-and-a-half years Coach Theresa Ferrada feels that with practice Miguel

# Rookie Dominated The Season

may become the Varsity number one player one day

The only returner for the JV a is Robert McMarion who is in his second year and has the potential to become a Varsity team member next year. Up to deadline time, the J V a only played a couple of practice game in preparation for the league opener against Jordan on April second Coach Ferrada feels that their hardest competition will come from the Eagle and Rams

In only their second year here at Roosevelt the Boys' Varsity Volleyball team is ready to contend for the league title. Last year the team won third place in the league championship

The team was named "the scrappers" by an opposing team coach because of their earnest effort and their speed on the court. The team averages five feet seven inches, while the opposing teams average around six feet two inches. Coach Ken Maki said that this year. Verdugo Hills is going to be very rough, but he will see that the boys get ready not only for that game but for all the others.

#### The Team Was Named "The Scrappers"

Last season the team borrowed the basketball teams' uniform, but this year the team members voted to buy their own uniform at their expense. Also with the team's budget they were able to buy new equipment that includes power poles and a new net

The practice games gave us an opportunity to view the ability of the team. One of these matches played was against Carson High School, one of the toughest teams in the city. The boys really made them hustle. Even though we lost, it was a very good match. This first game gave the boys the experience needed to beat. Van Nuys by the score of lifteen to nothing.

Because of graduation the team lost four of its strongest hitters. But coach Maki believes that this year's team members are able to learn quickly. The team does not have a most valuable player. Mr. Maki feels that he can substitute any member of the team and not lose any effort or ability.

"I feel proud for the progress that some of my players had made" said coach Maki, who promised us a successfull season

BOYS' VARSITY VOLLEYBALL: Manuel Ferrel, Jose Perez, Martin Flores, Hector Davila Back Row: Salvador Najera, Ralph Navar, Manuel De Luna, Juan Quinones. Top: Coach Ken Maki

Sal Najera spiking it right in the middle

an Dengtooh auk ng

In our game against the Bulldogs we all did our best", said one of the players of the Girls' Varsity Volleyball team. "The game, which took place at Garfield High School, was one of our best performances", she finished The coach, Ken Maki, agreed with her and added, "the best opponent we faced this year was Eagle Rock High School". In the first game against the Eagles the Riders went to the third set, and coach Maki felt that the team could have beaten them except that the team-work broke-down

# Bulldogs Game Our Best Performance

This was the first year Mr. Ken Maki coached the girls' volleyball team. He feels it was a very good experience, and he learned that he has to be as rough on girls as he is in coaching the boys' volleyball team. The team consisted of eight members, four of whom were returning players. The Most Valuable Player of the year was Liz Guaderrama for her outstanding ability at spiking and blocking. She is also involved in other sports activities as basketball and softball Margarette Perez best known as "Shags" was recognized the Most Inspirational Player on the team. She really helped the girls in "getting it together" with her Jokes and enthusiastic cheers. And both Caroline Maruya and Sally Maldonado were chosen the Most Improved Players. Caroline really improved her setting while Sally made progress on spiking and blocking. This season was not as successful as coach Maki thought it was going to be, but the girls are looking forward to a better one next year

Having ust the experience of two returning players the Boys' Junior Varsity Volleyball team is "looking pretty good", as coach Ken Maki said. The team is composed mainly of juniors and two sophomores

# Junior Varsity Ready To Excel

Last year, the team didn't perform up to par, but this season it appears that it's going to be different. From what the team has shown us in pre-league games, they are ready to excel. The J V's soundly defeated both Carson and Van Nuys, they were also triumphant in their first league match against Birmingham

The boys practice very hard, staying after school everyday usually working out four and sometimes five hours long. They are all hopefull of winning a position on the varsity team next season

BOYS' J. V. VOLLEYBALL: Jose Buenrostro, Jose Mercado, Felix Cortez, Marcos Munoz. Back Row: Tony Munoz, Armando Terrazzas, Jose Aguslar, Eddie Cardenas, Top: Coach Ken Maki, Eddi-

Girls J V Volteyball Caro to Maktonado rently Green Maria Ramos Baren Hill Dorsen Salas Sharon flor nels Standing Ray Castro hat Bern James Mercado Myrna Frences Last Loera, Coach Max

The Girls' Junior Varsity Volleyball team started off the season by gaining a tremendous undefeated record as they handled the practice meets very easily Unfortunately, the first round of the league games were heart-breaking plus upsetting, since they were incapable of defeating any of their opponents. The team was determined to come-back and overcome their league adversaries in the second round, and they did. Giving everything they had, using all their skills and plays, the girls were able to end the season with a victorious clash over our cross-town rivals, the Garfield Bulldogs

Mine! Get it!, Good serve Pat! these were some of the expressions heard from the players during our second game against Garfield High School, a game full of excitement and suspense which the Rough Riders totally dominated in two straight sets.

# Team Determined Comes Back Late

Good spiking, blocking, and setting were some of the techniques that Myrna Fuentes demonstrated as she qualified for the Most Valuable Player on the team. Everyone in the team assumed that Pat Berni deserved to be chosen the Most Improved athlete, because she really made progress on her serving and bumping skills that were not familiar to her when she started practicing. Janice Merdado was chose the Most Insperational Player, since she was always cheering and giving her team mates encouragement and support on the floor or from the bench

Most of this year players will be on the variety team next year, and it promises to be a very successful season. Special thanks to Ray Castro for coaching the Girls. Junior Variety Volleyban team. Ray Castro is a former student from Roosevelt and he was the Most Valuable ("Liver of the Boys" Variety Volleyball team last year.

Being able to run in the Varsity Cross-Country team is a honor in itself. In order to qualify an athlete must have againty, strength and know the art of running; but most importantly, a runner must want to work hard. If you ask any runner the sentiments are exactly the same, they all agree that running is difficult

## "THEY ALL AGREE RUNNING IS DIFFICULT"

The team was undefeated thoughout the whole season. They took first place in the Eastern League The team qualified at the City Pre-lims, and went on to the City Finals. There, unfortunately, only two runners placed, they were Ambrosio Fuerte who placed fifth, and Hebodoro Jaurequi who placed nineth in the City Finals Although many seniors will graduate this year, the hopes are high for a very strong team for the year to come

worked their way to the City Pre-lims, but they stopped in their tracks. Nevertheless throughout the season they never surrendered to the competition, and the tough courses. Andy Zumana, Gerardo Rodriguez, and Raul Velasco were the top runners of the season

# J.V. NEVER SURRENDERED

Unfortunately Raul Velasco suffered a sprained ankle, and wasn't able to compete in the rest of the meets. Andy Zumana, and Gerardo Rodrigiez placed in the City Finals. Andy placed fifth Gerado placed sixth. These two, and others like them will be a great asset to the Varsity Team next year

The ultimate step in the ladder of running is being a member of the varsity track team. The team spends at least two grueling hours working out perfecting their skills at running, jumping, and hurdling. This year the team is composed mainly of juniors and very few seniors. Some of the outstanding members of the team are: Ambrosio Fuerte, Jose Diaz and Eleodoro Jauregul in the distance events, Ramon Padilla and Carlos Navarro in the 220 and 440 yard sprints; Peter Quintanilla in the 880, and Gabriel Valencia in the long jump

# The Ultimate Step Is Being On Varsity

The pre-season started of! slowly for the team as they succumbed to Marshall and Westchester According to coach Telliano the hardest team they face would be Jordan High School. The coach went on to comment, "If they can beat Jordan they can beat anybody." Unfortunately the team lost a heatbreaker at home to the speedy Bulldogs. But the team still has a long way to go, and some young players who will carry the team.

The coach explained that every Wednesday of the track season, every athelete has the opportunity to move up from the lower divisions. In order to improve the team as well as the athlete an intra-squad mini-meet is held to see who will compete on Friday. The team is young and strong, and there is positive thinking on the part of all athletes and coaches.

The Girls' Varsity track team is even smaller than last year's. Coach Perea feels that the girls' are putting a lot of effort into their work outs; he also feels that their ability will make them go a long way. The coach said in a resent interview that the girls are more than ready to begin league competition, and should have an excellent season.

# Girls' Varsity Go A Long Way

Two athletes appear to have the best chances of placing in the city finals and possibly make the state meet. Senior Jenny Green and Sophomore Gina de la Cruz are excellent mile and two mile runners. In the one-hundred low hurdles the team is endowed with two returning lettergirls seniors Valerie Ybarra and Margaret Perez. Other returners in the four hundred yard relay team members Laura Williams and Sharon Borunda.

Our newcomers, Maria Ochoa, Maricela Hernandez and Elba Rios, are working hard and getting experience for future competitions. They are conclous of the great responsibility they will all bare when the upper calss women graduate. Some of these rookies are performing at the same level as some of the experienced runners. For example, Gina de la Cruz has been able to outleg our most experienced runner at. Roosevelt in the early preseason meets. We are very fortunate to have such a select group of runners who will give their very best for Roosevelt.

The Bee track team, is what some consider the second step in the ladder to gaining the ultimate goal, which is to be a member of the varsity squad. The team is usually composed of eleventh graders. Unusually enough the squad is mostly composed of tenth graders with only a few eleven grades. Some of the outstanding team members are: Rene Ariola in the distance races, Mark Leos, Jose Chavez, Eddie Cardenas, and Lenor Ruiz in the sprints; Albert Tovar in the Pole Vault; and Edward Cortez in the 440

# Second Step Up In Running

The Bees started the season off on a positive note by defeating Marshall and Westchester here at home. They worked out very hard in anticipation of their early league encounter with always speed Jordan high school. The team has practiced hard and is confident of giving us a good show

BOY'S BEE'S TRACK A herr Aredano Marco Loos enanc Ruz Gerardo Gitterrez Martin carrilleddie Cardenas, David Sanchez, Humberto Lamas Second Row: George Valenzuela, Gerardo Rod quez, Jose Chavez, Herman Cortez, Angel Leon, Rene Atreola, Gus Loza Third Row: Joseph Clement

Reul Ramos and Daniel Volshin head in for the win

The Cees track team is usually the place a sophomore runner starts his career. The young athlete begins by learning the techniques, and by gaining the experience and confidence needed to succeed as a track athlete. This young but strong team has made some achievements in the little time they have had to compete. The long hours of practice are demanding upon the student-athlete's body and life. Each athlete works hard every day to fulfill his personal goal, and through each individual the team accomplished recognition

#### The Season Promises Exciting Moments

In their first meets they have performed outstandingly by defeating their opponents. The biggest accomplishment to date has been the defeat over Jordan High School, a team that is always composed of thoroughbred runners. Some of the excelling runners have been: Carlos Miranda in the one-hundred yard dash, Jose Reyes in the two-hundred-and-twenty yard dash, Jose Jimenez in the mile, Mori Richardson in the four-hundred yard sprint, and Selin Cortez in the eight-hundred yard run. This young crop of runners promises to give us some exciting moments this season.

BOYS LEES TRACK TEAM

Leaner Rough hiders

- a Marshall
- a Ross W Chester
- a Roos for tan
- a Huntington Park

This upcoming season looks like it's going to be one of the best yet for the Rough Riders. From the start of the season the team has been on a winning streak. In the first two non-league games against Verdugo Hills and defending city champion Sylmar, The Riders demonstrated the quality of the team by being able to defeat it's first league opponent: Jordon (22-3), Garfield (10-2), and Bell (3-2). Coach Rodriquez added that, "this is a team with many allaround athletes who can play a lot of different positions."

## Rider Reach To Win Championship

One of the strengths of the team is that they work well together, and congratulated each other after every good play. Another is that the team is lead by Senior Robert Maldonado who pitched a two hitter and struck out ten against Bell. Coach Rodriguez considers him one of the finest pitchers in the city Other key returners include center-fielder George Moran, Left-fielder Darren Butler, pitcher Jimmy Guillen, and Roosevelt's fine back-catcher Richard Munoz. It is hoped by all that the injury to his back does not hamper him throughout the season. But the back-up catcher Adolfo Ramirez has been substituting very ably. Newcomers cited by Coach Rodriguez as promising are short-stop pitcher Jose Perez, and infielder George Pena.

Coach Rodriguez hopes to be able to use the team speed to develop an effective base-running attack. "We hope to build a club that forces the other team into mistakes, both offensively and defensively, he said. The most competitive teams in our league will be Bell and South Gate High School. The Riders are very hopeful that this will be their season

The girls' varsity softball team has many promising as well as experienced players. Some of the promising players are: Carol Maldonado, Pat Guajando, Norma Morales and Carmen Ibaraare all tenth graders. Many of the team members are able to play more than one position so this make for a flexiable team. This flexibility is very useful, in case of an injury there will be someone to take over, and the team will not be debilitated at any spot

# True Asset Of Team Helping Each Other

The only senior is at third base, Liz Viramontes. A great deal of inspiration and self confidence are generated from all-around player. Angle Garcia. One of the true assets of the team is the help and support given by all the team members. Thus assist each other to tune their skills to a fine edge which will bring their playing ability to the highest point.

Roosevelt's Junior Varsity softball team plays a six game league schedule against Franklin, Garfield, and Wilson Although the team does not have much playing experience at Roosevelt, many of the girls have played on teams in Junior High or at local parks. The teams experience rest on the shoulder of pitcher Maria Durazo and outfleider Cindy Avila

## Ladies Speed To Their Advantage

The team possesses a very competitive spirit and a variety of abilities which should make for a rewarding season "We hope to take advantage of our running speed, batting and fielding ability, and the knowledge of the game", said coach Waggoner. The team has played well together, and most of the players can play two or three fielding positions. All in all, the whole team feels very optimistic about the up coming season

Rings, floor exercises, Palm horse, vaulting horse, and high bar are the events in which the boys gymnastics team compete. These events require a lot of practice, concentration and time. Because of their efforts they have created a strong and potential team

#### Created A Strong Potential Team

Last year Eric Frazier was the city champion in the vaulting horse, while Malcom Prevost took third in city in that same event. Coach Tony Bautista is very encouraged with his team because most of this year's team members are returners.

The team has been practicing since February. They usually start in September, but because of the early year uncertainties in the sports budget it was not known whether we would have a team until the spring semester. Up to deadline time the team went undefeated overcoming Gardena, Franklin and Narbonne. We are very hopeful that this will be the year of the riders

BOYS GYMNASTICS Francisco appear as Lara Sal Rivero It in Chamber of the Firm Citiz Raw Borrago Coa to Tony Bastist's Third Row The Cor a Sa Espara Ermisto island to victor Cizman Middle Row Payor Mirar to Maria Start cz., vicio Care a Tosa I. There are four classes for girl's gymnastics this year. Every class requires a different routine with major tricks for each event. Seven gymnasts compete in each event. The gymnast start, off with a score of ten points; as the gymnast performs her routine, deductions are made by the judges on faults committed by the athlete. At the end of the meet all the scores of the girls who competed are totaled, and the team with the highest mark is victorious

# High Hopes For League Champs

The 1981 girls gymnastics team has worked very hard to prepare for league competition, five days a week three extra hours on Monday nights. All this work has served to sharpen up every major trick in the routines. This has helped the team to victory in their first two practice meets against Garfield and Granada Hills

Coach Al Perez feels the team is very strong and capable of being league champions. The strength of the team consists of last year's returning team members: Chris Chora, Pat Diaz, Juanita Elisworth, Rachelle Granillo, Lucy Nanez, "D" Rodriguz, and LuLu Tellez

Last year, outstanding gymnast Rachelle Granillo placed fourth in city in all around competition. Coach Perez feels that last years team was "Fantastic" and is hoping for the very best this year

ccording to Robert Drake, the lauvee baseball coach, the (Riders) are capable of winning the Eastern League title. "The team is inexperienced; they have to get better as time goes along" The coach has been impressed with the overall attitude of the players. Everyone of the team members wants to work hard.

# Impressive J.V.s Work To Improve

Among the hard workers are five returning lettermen: shortstop Ernie Aguilar, centerfielder Marvin Stevens, back-catcher Jose Marices, and pitcher and first-baseman Homer Garcia. The team members have set high goals for themselves; for instance Homer Garcia plans to attend college and become an outstanding professional baseball player. He realizes how competitive this field is and works on his skills not only every day after school, but also many hours on the weekend. Dino Magallon is another athlete who possesses great potential and who hopes to refine his skill and hopes to one day work with children. All the players interviewed had many fine expressions to comment about their coach, Mr. Robert Drake. "Our coach is the greatest; not only a strict coach but a fine friend who is very understanding."

SWIM TEAM: Mr Ron Florian, Benito Lopez, Joey Martinez, Enrique Trejo, Jose Vidana Richard Ibarra, Ben Cruz, STANDING: Eddie Contreras, Francis Campos, Sylvia Diaz, Louis Gracia

The Swim Team has twenty-eight members in which there are twenty four boys, and only four girls. There has always been girls competing in the boys league due to the lack of funds for sports, the teams combined together as in other schools. There are three different divisions on the team which are the following: The Tenth grade, Junior Varsity, and Varsity

Returning to the Varsity are Ben and Resendo Cruz for the third straight year, and eleventh graders Art Campos and Sal Rodriguez. The top swimmer for the JV's is Luis Galicia, and for the tenth grade division Francis Campos (Art's sister). She shows great promise for the future. Francis has high points and is taking first place in competing with girls and boys and defeating both.

# Same Team Dilema No Swimming Pool

The team is still facing the same dilema as last year, the pool has not yet been repaired. The struggle still continues between the school district and the city on who will cover the cost of the repairs. Never the less, they have reached a settlement and both are sharing the expences. The team travels every afternoon to Eagle Rock for an hour and half practice, they are only allowed this much time for their training. These conditions have prevented many good athletes from being on the team. In their first few practice meets the teams have done very well., the only problem facing the team is not having enough swimmers to participate in the events Despite the fact that the swim team did exceptionally well in their first few practice meets, they suffered a great deal due to the lack of swimmers. Coach Florian explained that this has affected them in the point performance

In closing Coach Florian feels that the team is putting a one-hundred percent effort. As soon as the pool situation is corrected we can expect a lot more. His final words were, "The rest of the team knows that with the caliber of swimmers we have, if we had a pool, we would be killing people!"

# CLUBS AND ORGANIZATIONS

Clubs and Organizations serve a very important purpose at Roosevelt. The clubs provide a variety of activities that give everybody a chance to enjoy school life from a different perspective. Clubs raise funds so that they may participate in extracurricular activities which adds a little space

into a student's life. They organize dances, bake and candy sales; activities that are not generally offered in the classroom. You'll find a couple of feature stories on the Beaties and on the Ski Clubs to the mountains Check it out!

This year the ski club took a three day trip to Mammoth and June Mountains for their annual skiing escapade. By seiling See's suckers, spon soring bake sales, and working on a car wash the ski club helped raise money for their transportation, lodging and their ski rentals.

Thirty-six people went including six sponsors and four former Roosevelt students. They ar rived at June Mountain on December 21st, and lodged there the first two days where they spent most of their time skiing the slopes of the mountain. Some of the members were learning how to ski for the first time and although they fell many times they all had a great time

On the third day the group packed their gear and traveled to Mammoth Mountain where they spent the last hours of their excursion sking and throwing snow-balls at each other. It was a sux hours bus journey This trip was made possible because of the efforts of Mr. Ken Maki, sponsor of the club, and the active participation of members such as Jose Perez, Sophie Rodriguez and the president Caroline Maruya

Next sk season the membership is planning a five tax trip to idlal and hope that more stulents will promote view

### THE BIG APPLE

In front of the Model UN building

For the second year in a row the Model United Club traveled to New York to attend the Annual National High School Model United Nations Conference. The event, which was held from March 12-15, gave thirteen Roosevelt students the opportunity to visit one of this country's metropolitan centers for a whole week Senior Jose Nolasco won an Outstanding Delegation Award for his efforts in representing Japan's delegation on the mock Security Council. The other distinguished members who represented our school are: Dolores Covarrubias, Diane Perez, Jimmy Rivera, Mike Rubio, Isabel Saucedo, Luis Shagun, Fred Shimaya, and Lucy Urrutia

The opening ceremonies were held at the actual United Nations Building, while the remaining sessions being housed at the Statler Hotel Model UN president Oscar Marquez at RHS stated that, "Our students distinguished themselves in every aspect of the conference—they showed that RHS students are able to compete with the best in the entire nation." The trip was possible because of the financial support of non-profit groups and private businesses that helped the excursion Also because of the care and guidance of first year sponsor Mr. Luis Gonzales, and Ms. Lorna Auerbach, Roosevelt teacher on sabbatical who continues her dedicated work at our school. The students visited such sights as the Cathedral of St. John the Devine, the Metropolitan Museum of Art, Columbia University, the Empire State Building, and the Statue of Liberty According to participant Mike Rubio, "this was one of the greatest educational experiences of my high school career."

If this book ever gets printed everyone will know that the yearbook staff have done their job. We would like to give thanks to God and to all the different people who made this book possible, not only the yearbook staff, but those of you who are pictured in it. Because without you it never would have been produced

To the people who are directly responsible for the completion of the book we would like to hand you a sincere appreciation. We would like to thank our yearbook representative Mr. David Sorenson. The whole yearbook staff would like to thank the teachers and administration who allowed us to use their typewriters and excused us during deadline times

We hate to reminisce, but we will never forget: the "good times," "the party" and the parties. Terry spreading herself thin. Pat having to stay till seven at night to meet her senior deadline. "Las comadres" Ana and Vetty and their sponsor "Marica". Pio and his "what?" Carlos and his Beatles songs he sang to us. Raymond and his outrageous layouts. Susana and her "raging bull" temper Ernie the "casanova" of the class always walking a different girl to class. Juana and her quiet but effective way. Sandy and her strong and continuous enfatuation for Rod Stuart. Eric and his "small" contribution and salesmanship. Mark and his "Chicano" ways. Marceling and his famous "the third." Mr Roura and his ever-lasting lectures. We would like to wish Bird (Victor), Pio, Marcie, and Lomeli good luck with next year's book. We hope you have fun. And last but not least our crew of "mad" photographers. Danny the Head Madman and the other mad photographers Andy and Sergio. Vivian and her giant Christmas present Paula the mad punker. To all who helped but we have not mentioned, we have not forgotten you; we just ran out of space. And a final but special thanks to you the students of Roosevelt High who with your beautiful faces lace this book and made it possible

P.S. A very special loving thanks to Judy Carrillo who after twelve years at Roosevelt is leaving us — we love you Judy — you are the greatest' We'll miss you

Top to Bottom: Daniel Garcia (Photography Editor), Ernie Casillas, Victor Gonzales, Mark Yamagata, Vetty Ortiz, Ana Chavez, Suzana Hinojosa, Juana Hermostifo, Carlos E. Lopez (Staff Artist) Pio Diaz, Vivian Stewart (Staff), Andy Zumaya (Photographer), David Romero (Staff), Linda Sanchez (Staff), Pat Diaz, Maria Gomez, Terry Avila, Sandy Villa (Underclassman Editor), Marcelino V. Ronario III, Mr. Roura.

# ADS AND DEDICATIONS

The Ads and Dedications section contained the advertisements from businesses around our community who support and patronize our yearbook. The ads help depray some of the cost of this book, and also have helped some individual students and teachers to receive a free yearbook by having

sold a page or advertisement. The dedication part lets everyone express their feelings and thoughts to friends, parents and special people. A special feature has also been added this year, which spotlights on two promising artists from Roosevelt

Nunca Acaba."

n recognition of the graduating class of 1981, we would like to recognize two outstanding Seniors who have achieved excellence in the fields of performing and plastic arts. These individuals have achieved recognition through distinct scholastic associations, and have brought distinction and have

distinct scholastic associations, and have brought distinction and hance to our ocheck. The first recipient, knowed to our ocheck received three different scholassivips in the last three years. In 1979 the Orn Art Institute granted her the first award that enabled her to study at the Favson's school of Design She was again honored in 1980 by the Art Center icheol College of Design. Most meanth that has earned her third scholarship, and is proposity attending her meand through the Otis Autority attending her meand throught the Otis Autority at the Otis Aut

Engraphs has been a student of Mr. George May and Mg. Broads Venno how at Econovelt Mr. May, remneating on his prodigy, has saited that "her greatest proficiency is in painting; but also excels in flower drawing with pencil, pen and into chargest, nastels, and water column." He goes on to any "She's very depend-

## "Time To Depart"

able has been endous discipline, is a good listener, and is a very modest person. She's just outstanding." Her future plans are to altend the Othe Art Institute, and study commercial art as well as the fine arts.

Our nacemal recipient is a student by the name of Jose A. Ballepteron. He was relected for the Arts and Recognition Talent Search Award (A.R.T.S.A.) for 1981. Through that same association he has been selected as one of the five finalists of the Fresidential Scholarship Award. The award will be presented in Washington, D.C.

Jose has been dancing for the past ats years. He attended El Serenno Juntor High School where he was under the direction of Mrs. Gema Sandoval to this day he continues under her guidance. Jose has plenty of potential in his dancing ability", said Mrs. Sandoval.

Jose prans to attend California State Univerity. Les Angeles er California Arts in Valencia to continue his dancing career. Many of Jose's classmates are very proud of him because of the honor and national recognition he has brought to his sime money.

"Friendship"
What does it mean?
Does it mean to kiss a lip?
Or does it mean to hold a hand?
Is it trying to talk things over?
Or is it trying to understand?
Friendship is something that
comes as quick as a blink
Its meaning means more than
you and I think
And if you take it into
consideration

And weigh it in one thought
Its meaning means more than
anything bought
A call to a friend anyday
Will keep him or her from going
away
So keep this in mind
And you will find
That friendship is both yours and
mine!

By Linda Oropeza
